# RISE Corporate Membership

At RISE, our mission is to ignite the next generation of leadership in the insurance industry by connecting high-performing talent with the companies and opportunities that will define the future.

We believe that leadership is not inherited — it is built through investment, mentorship, and bold action.

Through strategic corporate partnerships, RISE empowers organizations to elevate their employer brand, strengthen their talent pipelines, and lead the evolution of the insurance industry with purpose, innovation, and impact.

Together, we are shaping a future where insurance isn't just a career — it's a calling.

## Who We Are

RISE is the #1 insurance community for rising talent and future leaders in insurance. We are dedicated to empowering early-career professionals, attracting new talent, offering networking opportunities, and connecting members with invaluable resources.

**8,000+** Members  
**1,000+** Companies

## Why Join

### Exclusive Leadership Development

Provide employees with targeted programming, coaching, and opportunities to mentor, teach, and give back—boosting morale and loyalty

### Industry Influence

Help close the talent gap and diversify the future of the insurance industry.

### Talent Pipeline Access

Gain early access to a curated pool of top emerging talent across disciplines.

### Strategic Networking

Connect your executives and high-potential employees with peers, mentors, and changemakers.

### Brand Elevation

Position your company as an industry leader committed to education, inclusion, and innovation, making you an employer of choice among the industry's next generation of leaders

## Why It Matters Now

50% of the insurance workforce is retiring in the next 15 years. The next generation expects leadership development and purpose-driven work. Companies that invest in leadership today will lead the market tomorrow.
